

COMPANY POLICIES

CUSTOMER SERVICE POLICY

Centro Crane strives to foster and strengthen mutually beneficial relationships with all stakeholders associated with our activities, both customers and suppliers.

Our Vision :

- To be the first company of choice for all stakeholders.
- To be efficient, cost effective and safety conscious always.
- To be at the fore front of industry best practice through our association membership/s and open honest communication with our industry peers.

We commit to a premium level of customer service by:

- Making sure that the health and safety of our people and those we work with are at the top of our agenda.
- Responding quickly, efficiently and fairly to concerns and issues raised by all customers, stakeholders and third parties.
- Effectively assessing the specific needs of each of our customers and striving to exceed their expectations.
- Providing a fully comprehensive best value service.
- Employing a high calibre of people who understand the importance of customer service and take ownership of their actions always.
- Actively seeking and acting on customer feedback on our level of performance and level of service.
- Striving to improve both our products/equipment and service.
- Expanding our operational scope to meet changing industry needs, both through updating our own fleet and fostering good relationships with industry peers.
- Maintaining an awareness of the impact of our activities on third parties, managing these impacts appropriately and providing public liaisons as required.
- Managing environmental issues appropriately.
