HEALTH AND SAFETY POLICY

Centro Crane regards workplace health and safety as one of the pillars of our organisation. We are committed to a proactive work place where safe behaviour is the norm rather than the exception, with a clear focus on eliminating work place incidents, through ownership of our actions and positive reinforcement.

Our Vision :

- Zero harm to all employees every day. *“Every Day, Safe Day”*
- To put the safety of our people and associated stake holders first. Resulting in an excellent track record with regards to work place health and safety
- To be at the fore front of industry best practice through our association membership/s and open honest communication with our industry peers.

We commit to a high level of workplace safety by :

- Our compliance with AS/NZS4801
- Ensuring that our workforce is fully trained and contribute actively in the safe planning and execution of our workplace activities.
- Leading by example. Ensuring that leadership, passion and commitment to safety are present at all levels of our organisation.
- Our work force are empowered to make safe decisions and choices about their work places without fear of retribution.
- Employing a high calibre of people who understand the importance of commitment to workplace health and safety.
- Actively seeking out and implementing new and or safer ways to do things, ensuring continual improvement.
- Positively rewarding safe behaviour.
- Fostering a “just culture” with in our organisation.
- Ensuring that personnel not willing to align with Centro’s emphasise on safety will not remain a part of our work force.
- Managing all work place safety issues appropriately.
